TELEPHONE — (204) 728-2246.

SALE HEADQUARTERS — Prince Edward Hotel, Brandon. Make reservations direct to the manager, indicating you are attending the Canadian International Sale.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements, all buyers should be aware of their own health regulations, any special requirements, etc., as all sales are final.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale.

LUNCH — Will be available at the sale.

GUARANTEE — The cattle will sell under the standard guarantee endorsed by the American and Canadian Shorthorn Ass'ns. Where footnotes appear in the catalog, they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales, Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and the seller of each lot. Neither the sale manager, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Shorthorn Sales, Inc., for specific tasks, promotional and clerical, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

RECORDING IN U.S. HERD BOOK — The specific fee levied by the American Shorthorn Ass'n on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will be the responsibility of the U.S. buyer to pay the additional fee required to transfer from the Canadian to American herd book. All pedigrees will be verified for acceptance into the American Shorthorn Herd Book. Any that are not acceptable will be announced on sale day.

BANQUET — A Dutch-treat banquet will be held at 7 p.m. Sunday evening, February 23, in the Prince Edward Hotel, Brandon. It will be preceded by a social hour at 6 p.m. sponsored by the Brandon Chamber of Commerce.

By Thomas x, whose first son sold for \$3,500 for $\frac{3}{4}$ interest at last year's International sale, and out of Queen Fillet x, that probably has the most outstanding show record of any female ever shown in Canada. Her first daughter set a record for the highest-selling female at the Canadian Western Agribition. Here is an opportunity to purchase a herd sire to do this kind of a job for you.

For the first time in modern memory a female, Hillrock L F Linda, pictured above, was supreme champion of the Royal Winter Fair. She was later grand champion of the Canadian Western Agribition.

SCOTSDALE ICARUS x — When we purchased Woody Hills Mark 6th x, we also obtained some semen from his sire, Pleasant Dawn Mark x. This young calf is by him, and his sire's record of leaving show winning sons and daughters is well known. His dam is sired by Scotsdale Bonanza, Royal Winter Fair supreme champion, that has left us some great females.
